The Senior Officers Review the Story

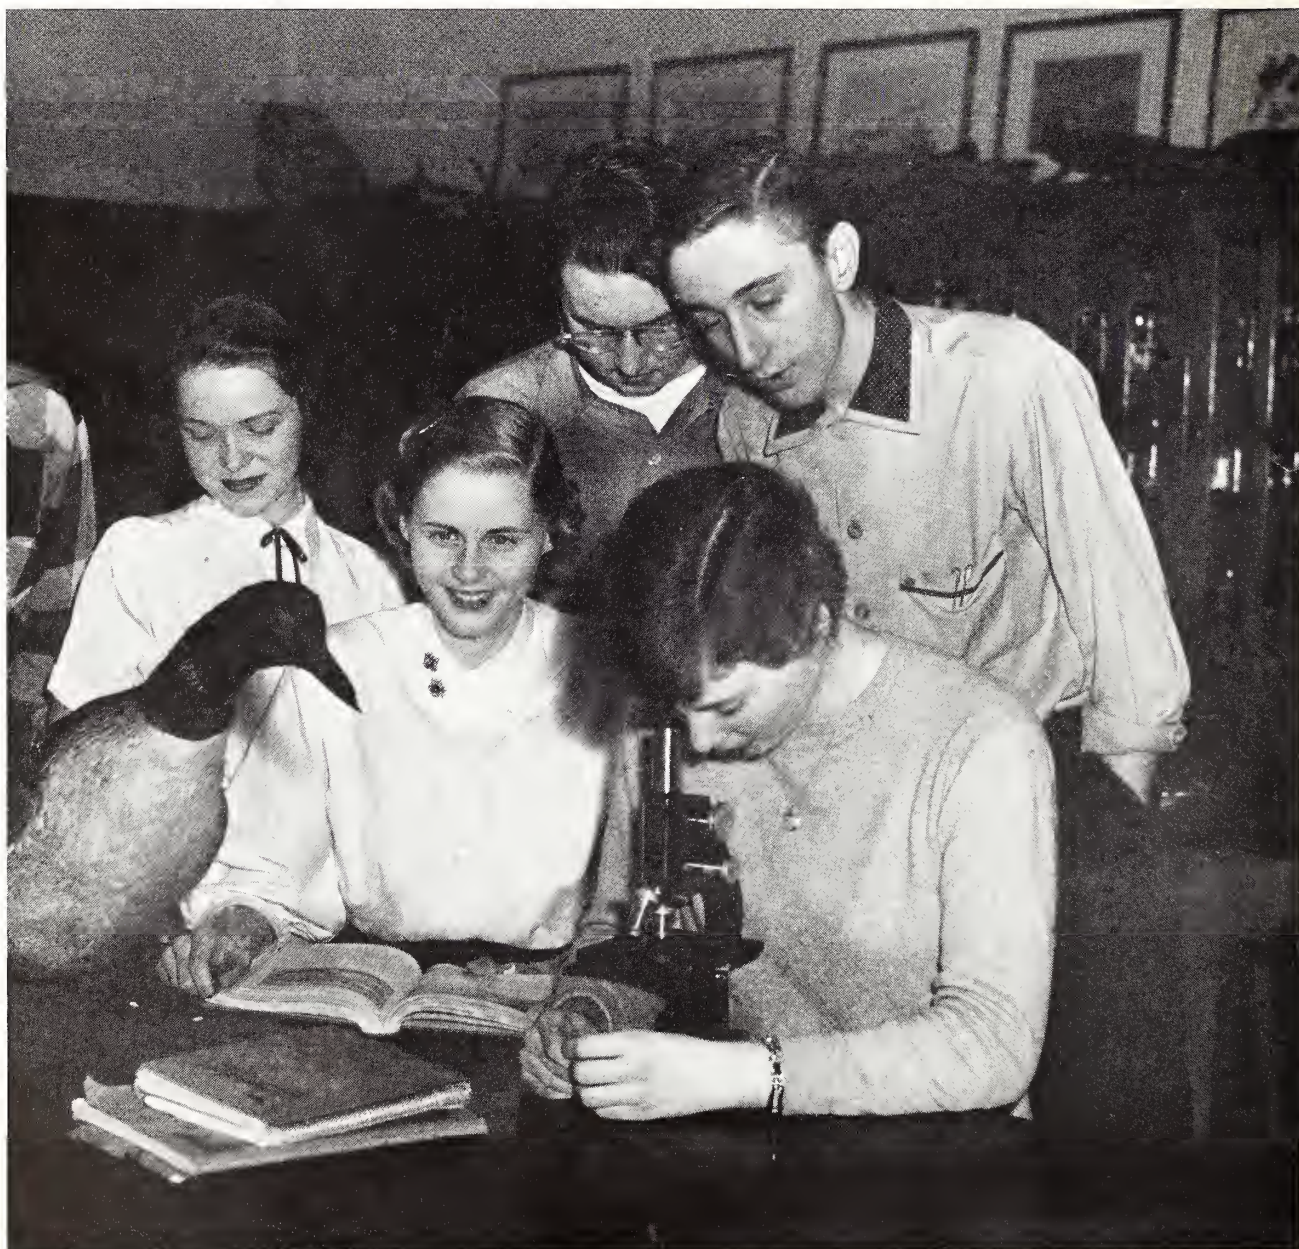

Since he began teaching at Shortridge, Claude Keesling has served as coach, teacher, and guidance director, his present position. In his role as sponsor of the Key Club, he has come in contact with and been a real friend to a great many boys in the organization. Many others know him through teaching, guidance, or his church activities which include the coaching of a basketball team.

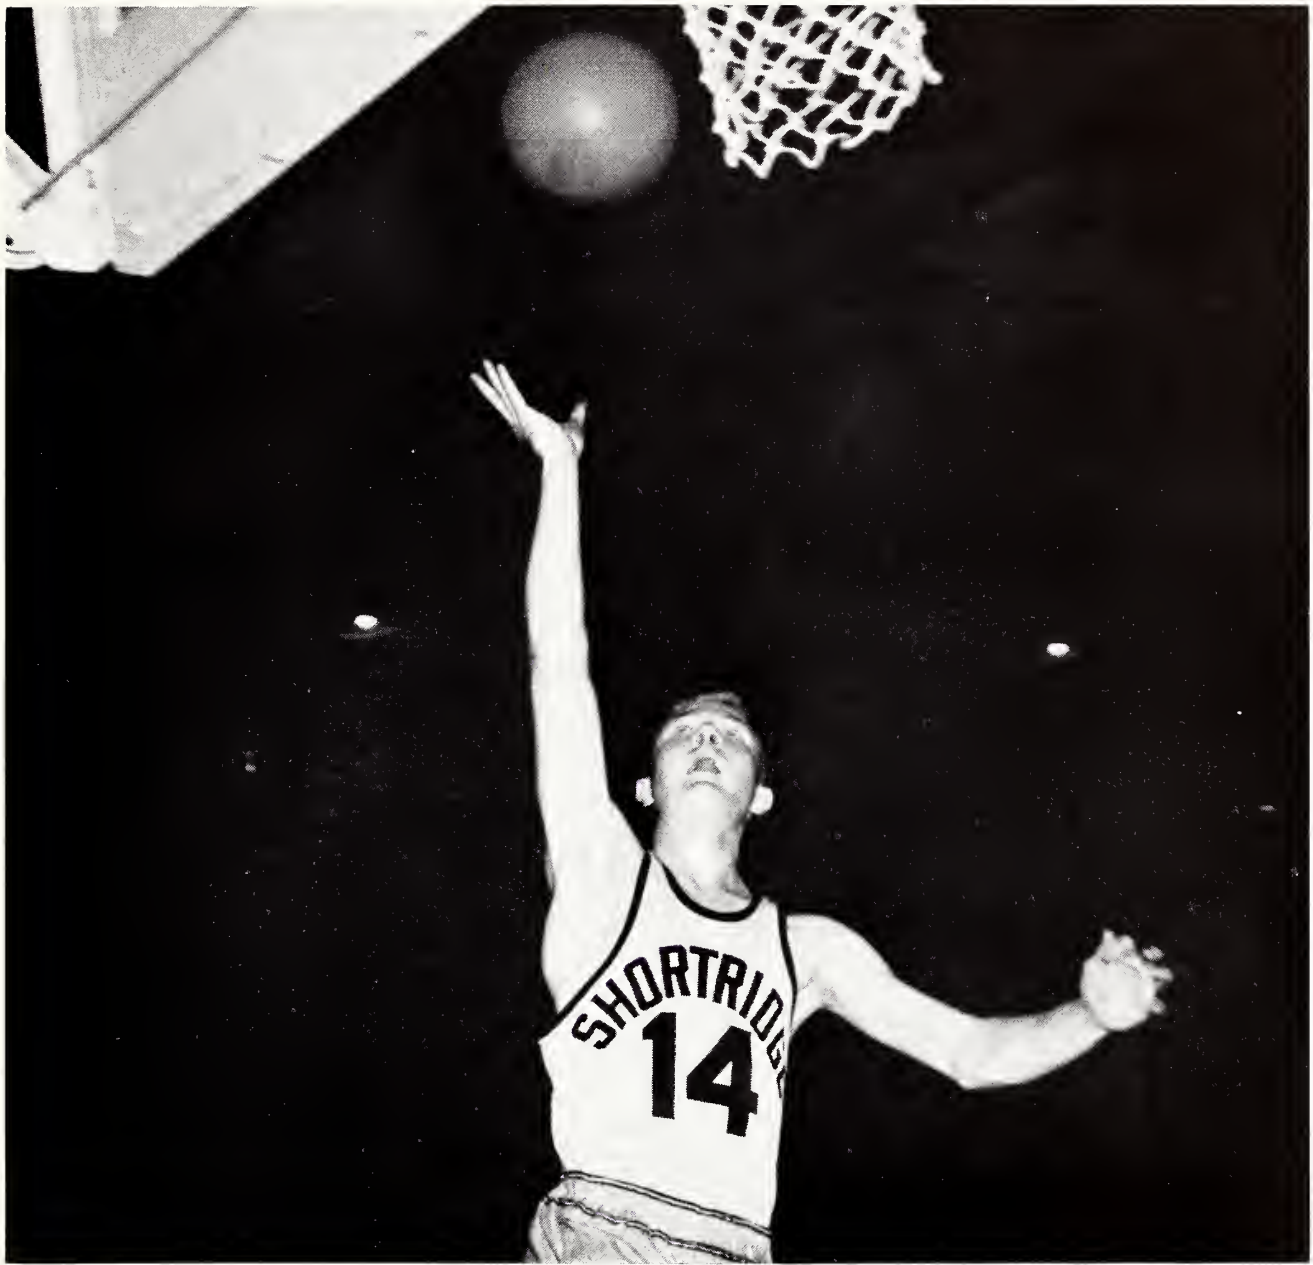

The senior class of 1952 is proud to dedicate their Annual to Mr. Keesling, a real friend to every Shortridger.

FOREWORD

Many things play important parts in the events of a year at Shortridge. Anyone who has taken part in any of the activities, no matter how small a part, realizes that the combination of all of these things is what really makes up the story of the year at Shortridge. Now let's take a closer look at the faculty, the school activities, the athletic program, seniors, and the special features—the main chapters in the Shortridge Story.

The Editor

The old saw, "A woman's work is never done," might be aptly restated to include teachers. Not only do they spend a great portion of their after-school time in grading papers, making reports, and attending evening classes, but they also devote numerous hours to sponsoring extracurricular activities and projects. How could the prospective college students ever have passed the grueling College Boards and other entrance examinations with such notable success without being so well prepared by the teachers? Hats off to our hard-working faculty.

The Teaching Staff Opens Our Story

Playing Leading Roles Are Principals and Advisers

Joel W. Hadley has been principal of Shortridge High School for five years. During that time, he has earned the friendship and respect of both students and teachers who have worked with or known him.

Capably carrying out the duties of vice principals are Russell V. Sigler and Robert L. Green. Mr. Sigler has been vice principal for five years while Mr. Green has completed his fourth year in that capacity.

Mrs. Eugenia Hayden is one of the school's busiest persons in her role as dean of girls. In addition to this, Mrs. Hayden sponsors the Student Board, Girls' League, True Blue, and Felix clubs.

Answering any problem that the girls may have are the girls' advisers. Mrs. Nell M. Thomas, Miss Ruth Lewman, and Miss Reeta Clark handle the counseling of girls.

Miss Lewman, Miss Clark, Mrs. Thomas.

Claude Keesling, guidance director; Kenneth Peterman, Don Knight, and Lester Groth play important parts in the school story by advising boys in regard to program and other school activities as well as aiding in outside employment for students.

Mr. Peterman, Mr. Groth, Mr. Keesling, Mr. Knight.

Many students are prepared for college board examinations by the guidance and advice of Mrs. Annalee Miller and Mrs. Danna Huffman and by attending review classes during their senior year. Miss Dorothy Peterson counsels the seniors both in their academic work and their class social events.

In Memoriam
MISS ESSIE LONG
December 4, 1951

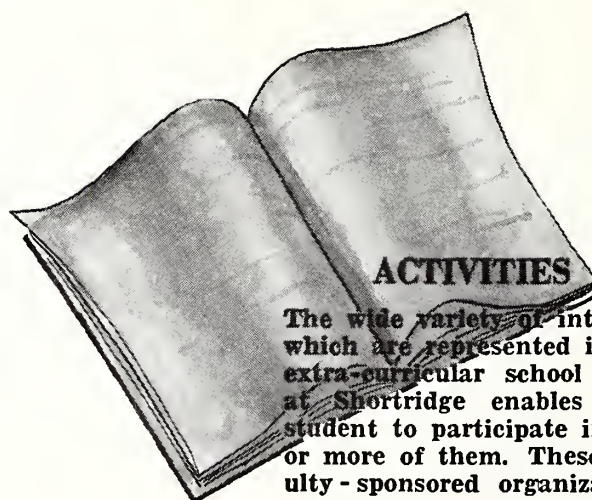

She enjoyed her chosen profession.

No better description of Miss Essie Long can be given than that, for through her chosen profession, that of an artist and an art teacher, Miss Long gave generously of her talent, her originality, her gaiety, her friendship, and herself.

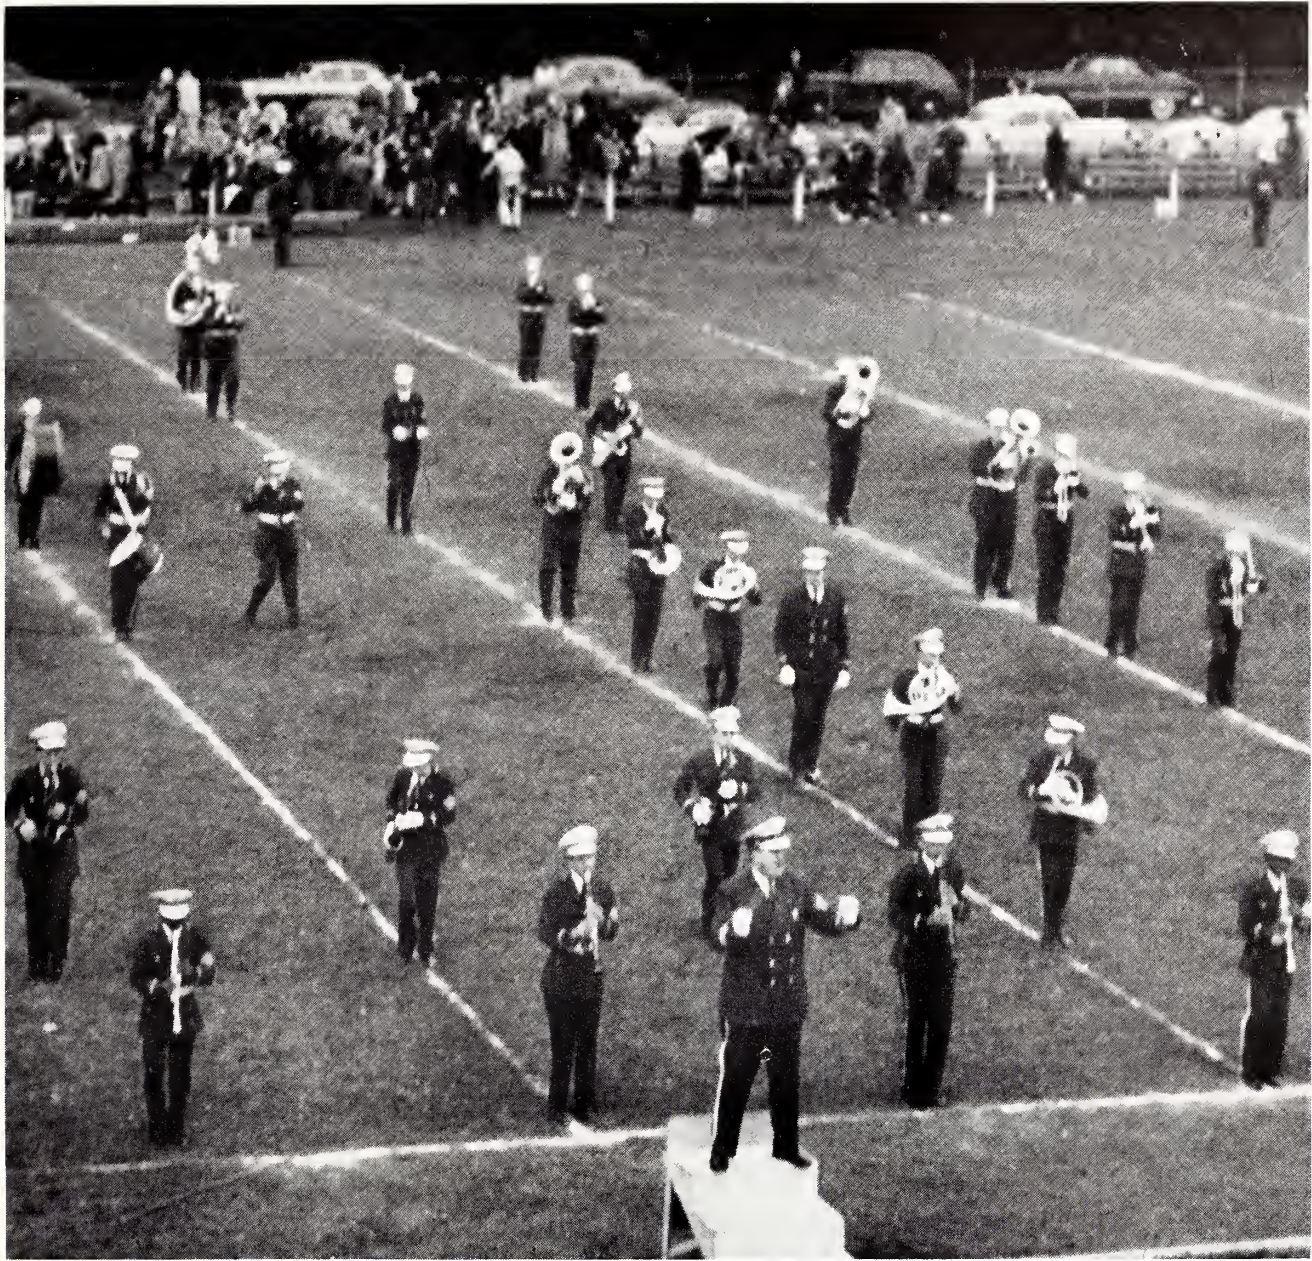

No one who has ever worked—or played—closely with Miss Long will forget her. Many people have tangible remembrances of her; her original Christmas cards with the covered bridge trademark, small gifts, the watercolor hanging in the Selleck Art Gallery, gaily painted gift-wrappings, saucy favors. But everyone who knew her will have some intangible recollections of her; her smile, the friendly little chats in the halls, her love of color, her readiness to help or give suggestions, her integrity, her encouraging words, her bravery.

Shortridge has lost more than a teacher. We have lost a friend and a comrade. We miss her.

ACTIVITIES

The wide variety of interests which are represented in the extra-curricular school clubs at Shortridge enables each student to participate in one or more of them. These faculty - sponsored organizations meet bi-weekly after school. The Echo is the daily paper, one of three in national high schools. The Echo is a well-established tradition, now in the fifty-fourth year of publication. A special Christmas edition is printed, with extra Yuletide features.

Activities Form Basis of Shortridge Story

The Shortridge Echo Keeps

One of the features of our school story is the Shortridge Daily Echo. The Echo celebrated its 50th anniversary a few years ago and is one of three daily high school newspapers in the country.

A large activity like the Echo must have leadership in becoming a success, and Miss Jeannette Grubb and Mrs. Doris Elkins are the sponsors who handle the problems that arise daily in connection with the Echo.

Robert J. Shultz, for many years director of the band and head man at vaudeville time, left Shortridge to accept a job at the downtown school office. Taking over the work that Mr. Shultz had done so well is James Calvert.

And three representatives plus three alternates will be selected from each senior homeroom to the board. And the Student Board's purpose shall be to create student support and service to the school and its activities."

Yes, we're talking about none other than the Shortridge High School Student Board which is under the sponsorship of Mrs. Eugenia Hayden,

dean of girls. The student council sponsors many dances and campaigns of good will of which the Bluebelle-Uglyman dance, homecoming dance, frosh Coke party, and school cleanup campaign topped the list of affairs for 1951-52.

The council made up of freshman, sophomore, junior and senior boys and girls meets about once a week. This year the Shortridge Student Board sent representatives to the Intra-City Council to discuss problems and solutions for the youth of today.

During the 1951-52 school term this service club sponsored a booth at the Family Frolic and at the Mapleton Fair. Representatives attended the state Kiwanis convention and three will go to the national convention this summer. A family banquet is held annually, while the last meeting of the year is a father-son dinner at which new officers are announced.

Membership proportion is 24 seniors, 16 juniors, and eight sophomores. Claude M. Keesling, guidance director, is the adviser. Members are chosen for character, scholarship, citizenship, responsibility, leadership, and service.

GIRLS' LEAGUE . . . "Shortridge girls have the same rights as males." With this motto the Girls' League encourages girls to participate in different school organizations and services.

One girl from each home room is selected to represent that room in any school discussion or election. The group which sponsors a tea for incoming freshmen is advised by Mrs. Eugenia Hayden, dean of girls. The members help out at various other school social affairs. This club is in charge of the election of ROTC sponsors from named candidates and also acts as an advisory board to the dean. The cafeteria and auditorium seem to be the favorite spots for the club members to meet and plan acts of service to the school.

Playlets, crossword puzzles, guest speakers, and puppet shows in French are all part of the year's events.

MATH CLUB . . . Formulae, equations, theorems, and the discussion of the intricacies of mathematics may be heard at almost any meeting of the Math Club. That was the project of the Naturalist's Club, who began the program at Oaklandon reservoir late in December. This information about the birds native to that vicinity will be tabulated and compared with the records of future years. This busy club also hears speakers on subjects which pertain to nature, sees interesting wildlife movies, and takes hikes and field trips to some of the state parks. Max Forsyth is the sponsor.

SCIENCE CLUB . . . Are you interested in science? You don't have to have ambitions to split the atom or make a life career out of the field. Science club members just enjoy it. A scholarship is awarded by the club to one graduating member.

SADDLE CLUB . . . Shortridge is said to have a club for any hobby in which one might be interested, and certainly horse enthusiasts are not to be left out.

The purpose of the Saddle Club is to develop a knowledge of the history, care, breeding, and grooming of horses, and to improve the horsemanship of the members. Club activities include indoor discussions on the horse fanciers' favorite animal, as well as practical sessions at the saddle barn. Members also enjoy riding accompanied by their sponsor, Alan C. Mr. Shull, will you help me find this stamp?

Arthur G. Shull, sponsor, often helps young collectors with identifying and learning new coins and stamps. Other activities at meetings include quiz games with a prize of stamps for the winner.

DISCUSSION CLUB . . . "To be or not to be, that is the question." Mrs. Madge Temperley sponsored the Discussion club at Shortridge this year. This group discusses current events, promotes general knowledge, and gives students a chance to express their own opinions and views on present matters. One of the outstanding meetings of the semester is the first at which it is an annual custom that Gilbert Forbes, radio news commentator, is the guest speaker.

GERMAN CLUB . . . Services to the school and community are projects of the German Club.

With Miss Louise Reiter as director, this organization has sponsored the International Club, baked cookies for the Servicemen's Center, and supervised a mothers' tea.

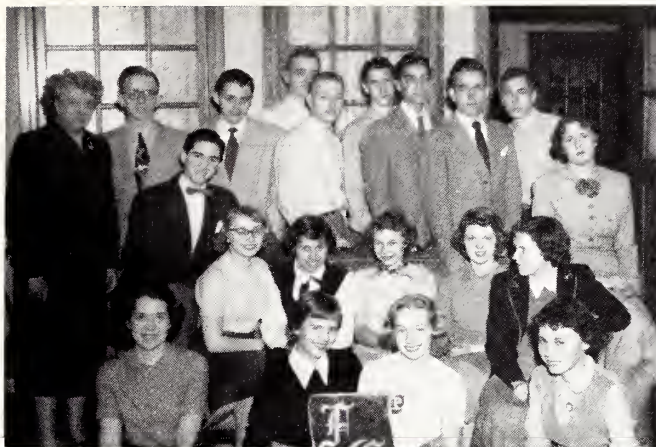

Another activity was the singing of songs and distribution of gifts at the Altenheim, a home for elderly people.

German customs are observed at meetings of this club, which fosters interest in German music and language.

CROQUIS CLUB . . . "A picture is worth more than a thousand words." The Shortridge art club is called the Croquis Club which in French means "sketch." Miss Jane Messick sponsors this group which during the last year visited the John Herron Art Institute and viewed several art displays. Guest speakers are scheduled for some of the meetings and they help to promote a better understanding of work in the different art fields, among the students.

The club activities include theater parties, book reviews, and projects which encourage creative writing. At the Christmas party this year, the members heard one of the former members give an account of the history of this club.

Miss Ruth Louise Armstrong is sponsor of the group.

SENATE . . . "Hear ye! Hear ye! Order in the assembly; we will now hear from Senator McCarthy." That's right. At Senate meetings, held weekly, the members each have a senatorial name selected from those of current national senators. This oldest club at Shortridge, in existence for 64 years, now is sponsored by Mrs. Annalee Miller. Senators look forward to each meeting when they can assemble to discuss current events through parliamentary and oratory procedures.

TRUE BLUE CLUB . . . "Do unto others as you would have them do unto you." Shortridge girls who are members of the True Blue Club know what this means, as often they have to do many tasks during the day which remind them of this familiar saying. The Big Sisters welcome frosh, act as receptionists in the dean's office, and take care of the Lost and Found department. Mrs. Eugenia Hayden is the sponsor.

NATIONAL THESPIAN SOCIETY . . . At the 1951 City Drama Festival the Shortridge chapter of the National Thespian Society, the first of three in Indianapolis, installed and initiated the chapter at Broad Ripple.

Students earn membership in the society through a standardized point competition procedure. The purpose of the organization is to promote dramatic arts in the secondary schools. Miss Eleanor Dee Theek sponsors the Shortridge chapter.

FOOTLIGHTS CLUB . . . "Lights!" "Camera!" "Action!" It's the Shortridge Footlights club rehearsing for one of its plays. This school organization, guided by Miss Eleanor Dee Theek, opens its membership to all students who enjoy dramatics. The club promotes interest in plays and many members participated in "Plays You'll Applaud" held in April. Footlights held a picnic and Christmas party which caused two stars to shine on the list of events for the year.

This is one for the Hi Pi club to solve. The membership of this club is made up of underclassmen who express interest in mathematics.

The club has guest speakers, and works mathematical puzzles at meetings. Miss Ellen Ocker is sponsor. Officers of this four-year-old club are elected twice a year. Students enjoy this mathematical recreation.

HI-Y CLUB . . . Paul Justice and Arthur Shull, faculty members, are co-sponsors of the Shortridge Hi-Y club, which is affiliated with the Marion County Hi-Y Council. The Shortridge group meets every two weeks on Thursdays. It gives an opportunity for boys with high ideals to enjoy fellowship and emphasizes community service and clean living. In the fall the group sponsored a lecture by Dr. Nilkanth Chavre from India which proved interesting to the student body and faculty.

The Shortridge Y-Teen group is sponsored by the YWCA and Miss Dorothy Carson, faculty member, directs the group which is always interested in helping or being of service to the school.

Girls in Y-Teen are part of a national organization. Several of the members participated in events promoting world friendship at the local chapter during the fall semester. The girls also collected candy bars to send to children in Norway.

PAN AMERICAN CLUB . . . Como esta Vd? "How are you today?" asks one Pan American member of another. This Spanish club, under the sponsorship of Miss Ruth Lewman, is organized to further interest in Mexico and South American countries. Students learn about customs, traditions, dress, food and ways of living in these foreign countries. Students sometimes see movies, sing songs in Spanish, or listen to speakers. The Christmas and Thanksgiving parties and membership tea highlight club activities.

Spanish students are eligible for membership in this club which meets every other Tuesday.

PAN-AMERICAN CLUB . . . Third Row: Michael Kelly, Don O'Brien, Bill Love. Second Row: Barbara Wehert; Peggy Hughes, chairman; Carolyn Kunze, JoAnne Solinsky, Dianne Johnson, Carol Otto, Pat Moll, Virginia McGorden, Barbara Swiggett, Donna Essig, Marilyn Crow, Mary Beth Shultz, Molly Burnett. RADIO WORKSHOP . . . Testing . . . one, two, three, four . . . these are familiar signals when workshop meetings are held.

To create a better understanding of work in the radio field, over the microphone and in the control room, the members plan tours through local stations and have guest speakers come to Shortridge to speak informally to the group. Students become acquainted with the technical devices in the control room through visits in the SHS radio studio.

Mrs. Eulah Vos is sponsor of the group. All Shortridgers who have an interest in radio may belong.

PHILATERON CLUB . . . "Striiiiike three and you're out," calls the Shortridge girl umpire during an after-school sports activity sponsored by the Philateron Club. Mrs. Mary C. Treichler and Miss Alice Jane Hessler are advisers for the girls' sport club. A girl may obtain points toward the 250 needed for membership, by participating in various extra-curricular activities, which include soccer, softball, basketball, baseball, track, and volleyball. Members act as chairmen for the different sports. One thousand athletic points are needed for the awarding of a letter sweater.

RADIO WORKSHOP . . . Second Row: Don O'Brien, Sigrid Hood; Guille Harvey, treasurer; Mrs. Vos. First Row: Gail Jaffe; Shirley Pickett, secretary; Ann Wolfenstein, president; Mildred Webb; Carol Forbes, vice president.

Adding to the story of another year at Shortridge were the athletes, coaches, and all those who helped to carry on the wide program of sports, both varsity and intramural. By taking part in these activities, the members of the teams learned the meaning of sportsmanship, competition, and team play. The athletic department played a large part in the Shortridge story.

1951 Varsity Posts 5-4 Record

Shortridge's 1951 Blue Devils finished up the grid season with a 5-4 total just as the '50 club did. Coach George Gale started off the season by playing host to Fort Wayne South Side on the Julius Field.

Stan Feezle, junior halfback, was too much for the Archers, and so were his 13 points collected on two TD's and an extra point. South Side escaped the horse collar by scoring in the fourth period but Shortridge wound up with a 13-7 victory.

The Blue Devils' trip to Crawfordsville paid off with a 14-6 win over the Athenians. Feezle again carried most of the scoring load by tallying eight points. Crispus Attucks furnished the first city competition for the Blue Devils but they bowed, 25-6, to the Satans. Although the Tiger game was a victory on the books for Shortridge, it really was a loss in that Stan Feezle, who had tallied 21 points in two games, received a knee injury that ended the grid season for him.

Cincinnati Withrow put a damper on any ideas of an undefeated season at Shortridge with a narrow 18-12 decision on their home field. Cathedral added the second defeat to the Satan list with a 25-13 victory on their CYO Field. Bob Springer accounted for three Irish tallies.

A 20-0 victory over Washington put Shortridge back in the victory column. This was the game

the team won for Bill Ney, who was out for the year when he contracted an illness after the Cathedral game. The Galemen were nosed out, 28-20, by Tech and Joe Sexson. Big Joe tallied three times against the Satans despite SHS quarterback Dick Hall's seven completions on 14 attempted passes.

The Manual game was the coldest of the year from the spectators' standpoint; but from the players' side, it was Shortridge's hottest. The Blue squad ran over the Redskins by a 40-21 score in a contest that saw Jack Barney rack up four TD's while Manual's ace, Dick Nyers, accounted for 15 points.

Shortridge ended the season against Broad Ripple on the Satan home field, which resembled a sea of mud. The Rockets slushed through to a 31-19 win despite 19 Shortridge points in the last quarter.

The Blue Devil squad was well supplied with returning lettermen for the 1951 season. Line-men back for another year were Jack Barney, end; Dave Shirley and Denny Krick, tackles; Jim Thompson and Jack Kimmel, guards; and Bill Ney, center. Backfield men who had earned letters the year before were Jay Jacobs and Ed Praed, fullbacks; Ron Passwater and Stan Feezle, halfbacks. The ball club chose Barney as the most valuable player for the '51 season.

Praed, Kimmel, Jacobs, Shirley, Morris, Gorgol, Krick, Barney.

Jack was second only to Passwater in scoring. Ron tallied 51 points while Jack came up with 50, 24 of which he picked up in the Manual tilt.

Bob Gorgol left his position at tackle long enough to boot the extra point against Washington. This man was the only Satan attempt to convert by toe all season, giving the Blue Devils a 1.000 mark in that department.

Dick Hall, playing his first full year of varsity football, held down the quarterback slot like a veteran. Dick tossed 18 touchdown passes in the nine Shortridge games.

The 1952 Shortridge football squad voted on trophy winners at the banquet which closed the football season.

The William Skinner award for the Most Valuable Player went to the invaluable Jack Barney.

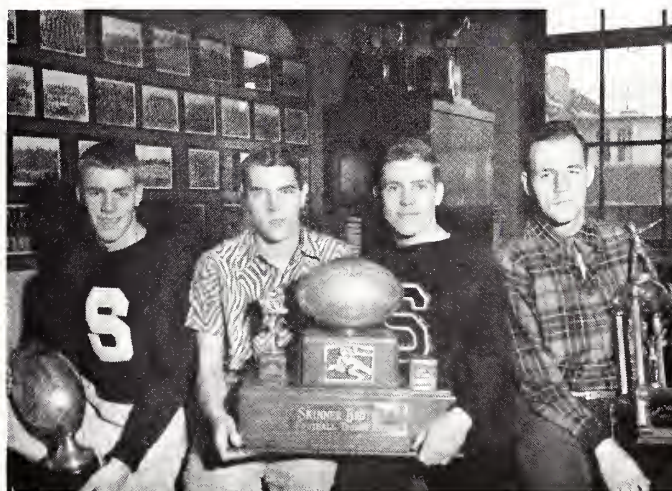

The Robert C. Burnett Toughman's award was awarded to hard-fighting, never-quitting Jay Jacobs.

Jack Kimmel, a fellow who made up in fight what he lacked in size, was named the Most Improved Lineman (Lewis B. Skinner award), and Ed Praed, who reeled off more than his share of positive yardage for the Devils, won the title of Most Improved Back (William Skinner award).

Perhaps the award which will mean the most in the years to come is the Herbert T. Wagner Sportsmanship award. This year's proud owner is the likable and versatile Dave Shirley.

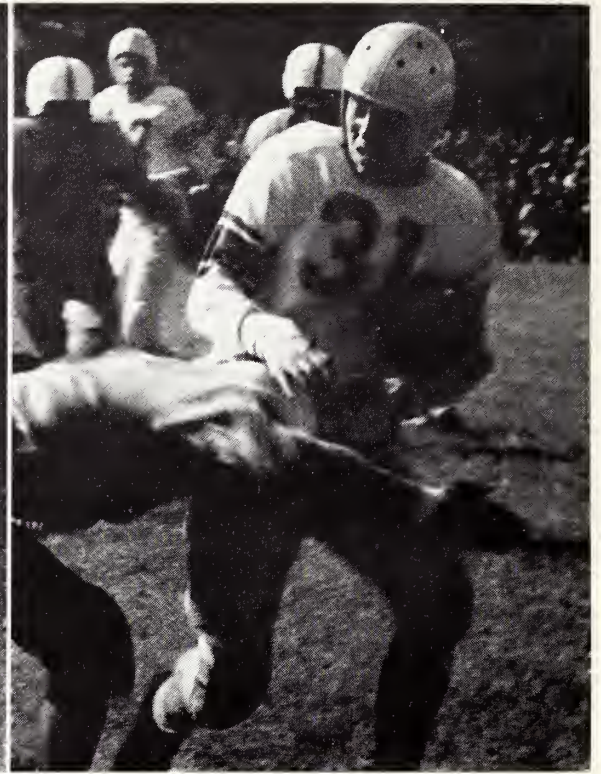

Bill Ney, who was sidelined part of the season due to injuries and illness, was named the Honorary Captain of the 1952 squad.

Reserves Build for Varsity

In all honesty, it can be said that the 1951 edition of the reserve football team had an extremely successful season. They finished the campaign winless in reserve competition. To be fair, though, they must be credited with coming close on several occasions. Frankly, they had a "character-building" year.

The purpose of the reserve team is to teach the fundamentals of football and to build players for future varsities. Coach Robert Nipper carried out both of these objectives besides livening up the practice sessions with his never-ending wit.

The B-squad opened on the wrong foot with a 15-0 loss to Crispus Attucks. The following week, they downed the freshmen, 32-6, for their only win of the year. After trailing, 13-12, at the half, they were finally topped by Cathedral's Irish, 25-12. Clayton Eshleman and Bill Worthington each scored once. Worthington tallied

again the next week but the reserves bowed to Ben Davis, 18-6. Washington then defeated the B's, this loss by a 12-0 score.

The reserves, sparked by some varsity underclassmen, made quite a game of it before succumbing to Tech by a scant 6-0 count.

Freshmen Cop Undisputed City Crown

Hats off to Bob King's freshman football team, which managed to go through the season without the taste of defeat.

The Shortridge freshman football squad of 1951-52 opened their season with a 7-0 win over the Crispus Attucks frosh at the Blue Devil field. The winning TD was carried over by Bob Fesler from 8 yards out, with Bob Branham adding the extra point.

Winning for the second straight time the frosh slipped by the Irish by a 7-6 score. The Blue TD came on a long pass from quarterback Bob Branham to Gary Hanna.

The clock ran out on the frosh at Ben Davis when the score stood 0-0. The Satans were on the Giants' 14-yard line. With Charles Dinwiddie, Satan halfback, showing the way with four touchdowns, the frosh made it four straight by whipping Washington, 25-20. The Continentals led

only once, 13-12, midway in the second quarter.

The frosh completed their undefeated season by beating a tough Tech team, 12-7. Charles Dinwiddie was the only one to score on the Tech team this year, and he did it twice, scoring off tackle and on a long pass from Bob Branham.

1951-52 Varsity Net Season Features

Varsity coach Cleon Reynolds, in his first year as head man of the Blue Devils, guided them to a 9-9 season total. There were only three lettermen back from the previous year's club: Bob Bruce, Charlie Shoemaker, and Tom Hollett. Jim King, also a monogram winner, was unable to play because of a summer injury.

An all-senior five made up the starting lineup for the first game with Greenfield. Hollett and Bruce were at the forward slots, Mark Peterman held down center, and Shoemaker and Carl Meyer were the guards. The starters varied throughout the year with Jack Barney, Larry Jones, Larry Stallwood, and Ralph Duncan also being placed in the roles of starters.

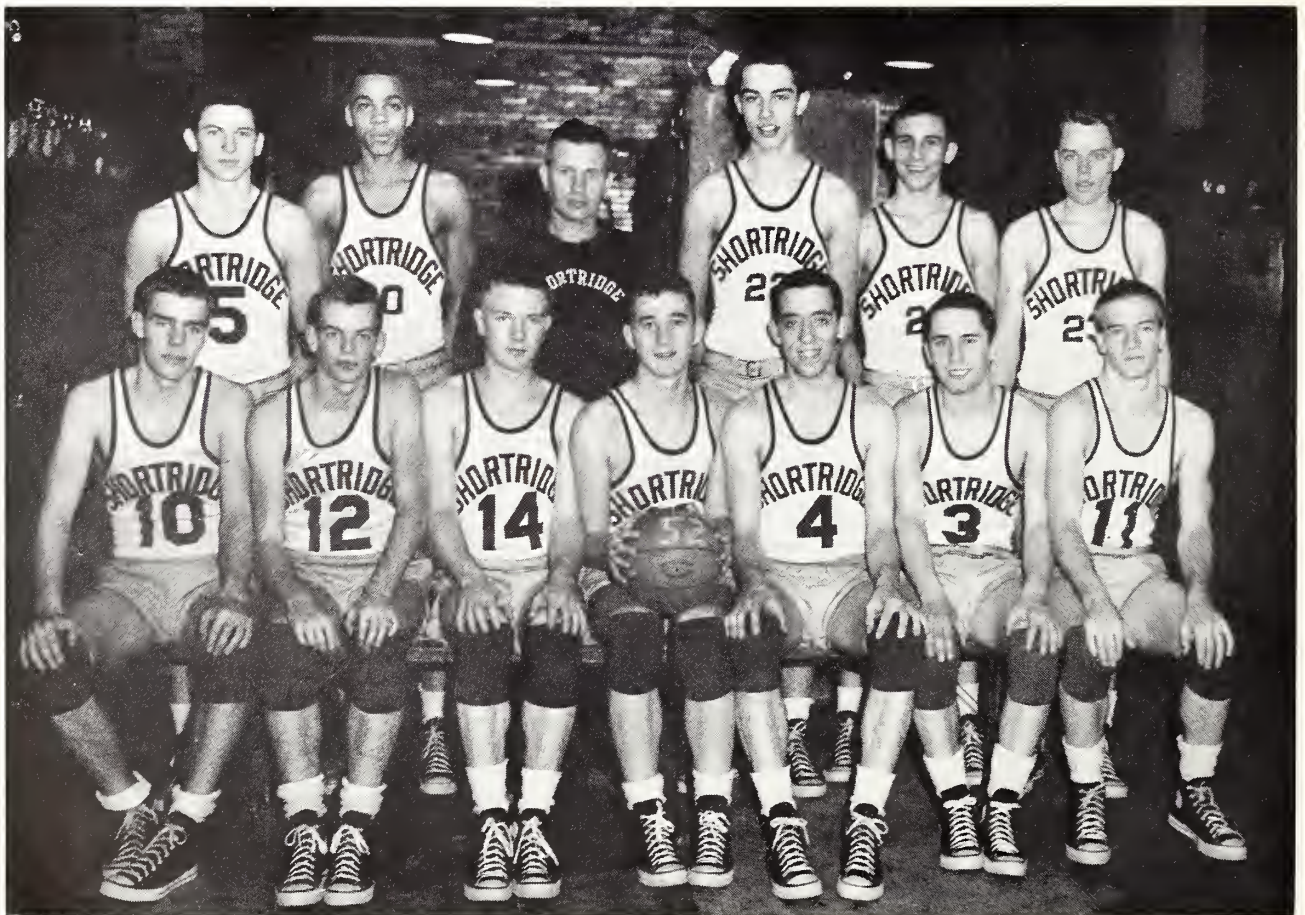

Bob Bruce finished the season with 211 points and an 11.7 average. Following Bruce were Mark Peterman with a 6.5 average, Carl Meyer at 6.1, Tom Hollett with 5.4, and Larry Jones at 4.3.

The senior members of the team elected Carl Meyer captain for the 1952 sectionals.

B-Men Aim for First Team Positions

Shortridge has the potential of a strong basketball team in the reserve club of '51-'52. All of the boys are sophomores and have received valuable game experience under the capable coaching of Bob King. Midway during the season, Coach King came up with a new type of strategy. He moved his football technique to the basketball floor in the form of the two platoon system. In this way he kept a fresh team going at top speed throughout the game.

Jerry Piersall, who has a keen eye for the basket and never stops hustling, led the team in scoring. Mr. King had a pair of fine guards in Jerry Thompson and Jack Best. Ronny Horn and Charlie Brown could take over at any time and keep the home fires burning. Bill Worthington was Piersall's running mate at the forward slots and his deadly eye made him a constant thorn in the side of the opposition.

It is a rare exception when there is a boy who can out-tip boys who are considerably taller. This year Bob Maxey proved to be a center who could out-run, out-jump, out-rebound, and out-shoot any opposing center. Chuck Hoffman has

shown that he knows how to clear the boards and throw in plenty of points. Tom Gill, Bob Wilson, and Don Herman spelled added strength for the Satan squad.

Coach Alan Levinson's freshman basketball team posted a 13-4 season total for their 1951-52 cage season. Only losses to Howe, Washington, Kokomo, and Ben Davis marred an otherwise enviable record.

A single game scoring record of 58 points was run up in a game against Brownsburg.

Every member of the club hit the scoring column during the year with Gary Frank and Bob Branham accounting for 101 and 99 points, respectively. State Champ Emerges from Track Squad

Coach Roy Aberson's track squad got their season off to a flying start in the Hoosier Relays at Bloomington. The Blue Devils won one of the four sections of the two-mile relay. Besides the first, there were several solid seconds and thirds.

Jeff of Lafayette downed the Satans in their first dual meet although junior Bob Bruce turned in a :52.5 quarter mile run. John Peterson topped 45 feet in the shot put and Bill Arbaugh broad-jumped 20 feet, 8¼ inches.

The Blue Devils ran over Attucks and Pike Township by a count of 69-33-30. Bruce, who already held the state's best quarter, turned in a 2:02.4 effort in the half mile. Russ Murphy won the mile event and Jack Praed copped the 220 in :24.4.

The Indianapolis Relays were next on the track agenda. Bruce turned in a sizzling 2:00.8 half-mile jaunt, two full seconds under the Shortridge record for that event. Murphy and John Earl ran exceptionally well in the two-mile relay.

Bill Arbaugh topped the 20-foot mark again to take the first spot in the broad jump.

In the City Meet, Bruce again lowered the 880 mark to 2:02 while freshman Bob Maxey topped the bar for 5'6" which was good for a tie for third in the high jump. Shortridge finished fifth in the events.

Seven Blue Devils qualified in the sectional meet for the regionals. Murphy, Jim Bose, Bruce, Arbaugh, Peterson, Maxey, and Herb Rieke came through the meet ready for another week's action. Maxey lifted his frosh record to 5'7¼" and high pole vaulter Rieke cleared the bar at 10'6".

Of the seven, Bruce and Arbaugh completed the next step by coming through the regionals. Bruce got 2:00.7 in the 880 while Arbaugh jumped 20'9¾", good for second spot and a state meet berth.

Bob Bruce brought Shortridge a state crown by winning the 880 run in a 2:00.4 time. The state meet was a wet one and Bruce had to fight to overcome a 20-yard lead to win the title.

TRACK TEAM . . . Fourth Row: Permer, Praed, Hurst, Montgomery, Ney, Scott, Johnson, Ligar, Wilson, Young, Graham.
Third Row: Coach Aberson, Elliott, Eshleman, Alexander, Maxey, Rieke, Peterson, Sommer, Epstein, Trusler, Ruck, Coach Negley, Coach Haynes.
Second Row: Beilach, Babcock, Earl, Bose, Murphy, Arbaugh, Bruce, Praed, Mossler, Mace; Mr. Radcliff, caretaker.
First Row: Bolles, Retmeyer, Hughes.

Coached by Thomas Haynes, the cross-country squad placed second in the city meet, third in the sectional, and fourth in the state meet. John Earl was the leading runner on the club and placed fifth in the city meet with teammate Don Beilach placing tenth.

Earl again paced the Satan harriers in the sectional with fifth place. Dick Egner came in ninth to aid the Blue Devils in gaining third spot. The state meet, held at Coffin Golf Course, was won by Anderson who has monopolized the meet for the last few years. Earl placed 14th in the state with Egner 20th and Beilach 25th. Shortridge's fourth place in the state was the best of any city

school including Tech who had defeated the Satans in the city and sectional meets.

The SHS team won all of their dual meets including a 16-41 triumph over Lawrence Central in which John Earl set a new course record of 10:25. Shortridge edged Broad Ripple by a 27-28 mark and downed Crispus Attucks men by an 18-37 score. The final dual meet victory was against Washington by a 24-31 margin.

Rounding out the season's activities, the harriers placed fifth in the Old Post Invitational at Vincennes and second to Tech in a triangular meet with Morristown.

Earl, Egner, and Beilach received varsity letters in the sport.

Shortridge's 1951 baseball team finished their season with ten victories against six setbacks. The Blue Devils started their season in April against Franklin Township with a 9-7 victory. Pete Kappes, who hurled the victory for the Satans, was starting his third year as a varsity pitcher.

The Steinermen dropped consecutive tilts to Ben Davis and Kokomo before Jack Kimmel shut out Lawrence Central, 2-0, to even up the season total at 2-2. Just before the city baseball tourney at Victory Field, the SHS men won a narrow 2-1 contest from Cathedral. Cathedral was drawn by Shortridge for the city encounter and the Irish turned the tables on the Blues by eliminating Shortridge, 5-1.

A double header with Crispus Attucks followed the city tourney with Shortridge taking both ends by scores of 20-9 and 6-5. In the second end of the twin bill, Denny Krick made his first attempt at pitching and turned in a three-hit performance at the Tigers' expense.

Jack Barney, playing his second year, led the team in three departments batting .345, collecting 19 hits, and driving 14 runs across the plate. Jack was elected captain of the club for '52. Gene Packham, who batted at a .292 clip, led the club in runs scored with 17. Charlie Shoemaker was the team's top fielder with a .981 percentage in

addition to being second in hitting with a .339 mark.

Pete Kappes led the pitchers by winning five games and dropping three. Jim Thompson, junior southpaw, had a 3-2 mark and Lefty Jack Kimmel contributed one victory to the season total. Denny Krick split a pair of games to finish with a 1-1 record.

Two Grapplers Hailed as State Champs

This year's Shortridge High School mat men just finished a most successful season led by state champions Jim Bose, 140 pounds, and Dick Anthony, 175 pounds, who were both undefeated all year. Three other members of the team placing in the state meet were Denny Krick, heavyweight, third; Gene Packham, 154 pounds,

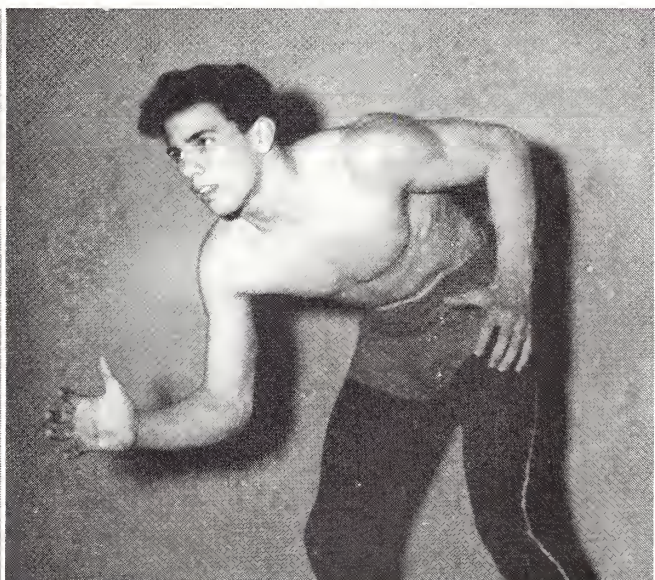

third; and Sam Greenstein, 103 pounds, fourth. These wins placed Shortridge's team third in the state meet, with Technical first and Central of South Bend second.

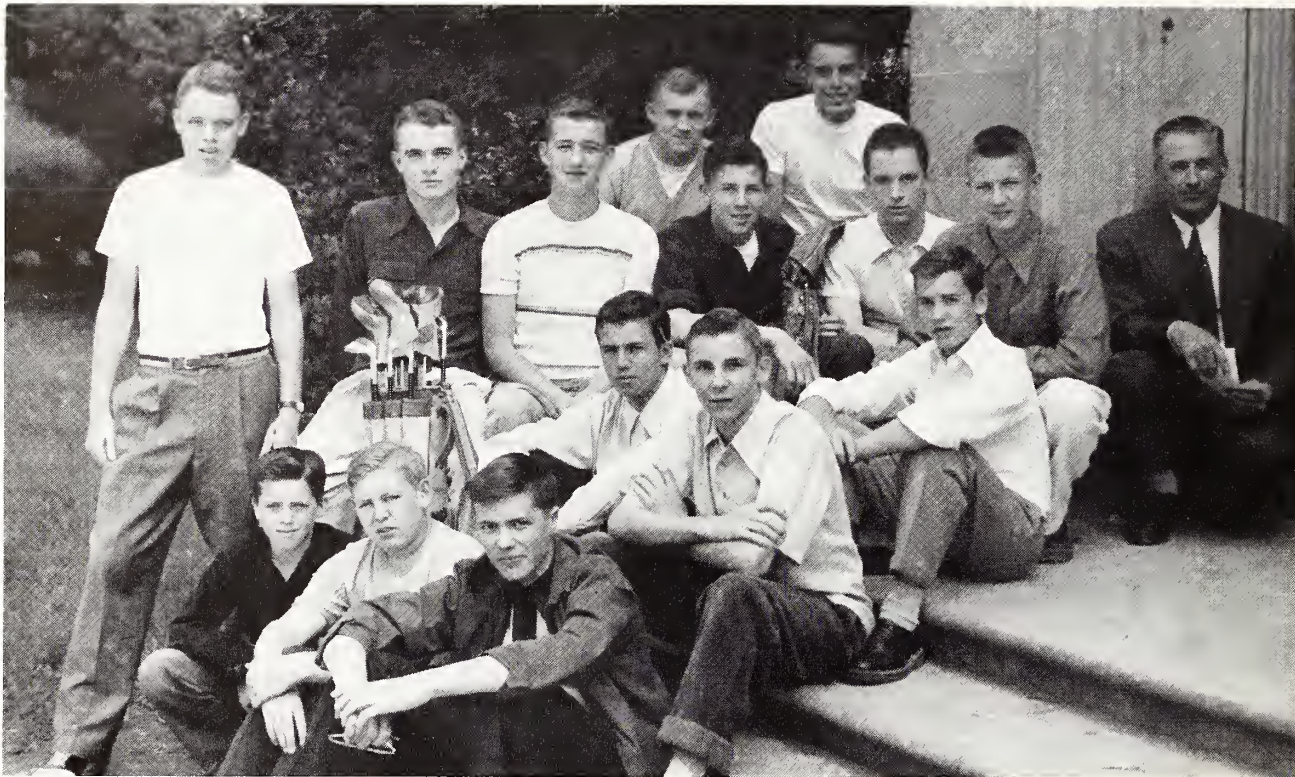

Shortridge won nine dual meets and lost only to Tech High School, who were the 1952 champions.

Satan Golfers Capture Third in State

No matter what the sport may be, none will cherish victory more than after a conquering of a Ripple squad. The glorious day was April 26 at the Meridian Hills golf course and the score was a rout, $23\frac{1}{2}$ - $\frac{1}{2}$. The medalist of the meet was Jim Balch with a brilliant 73. He was followed by Fred Dyar 75, Pete Burkholder 76, and Bill Kerr 78.

The Satan golf team placed second behind Tech in the City Meet, collecting 315 points to Tech's low score of 312. Bob Dyar was low for the Satans with a 76, one stroke higher than Scott Teal of Tech who shot a 75. Bob's brother, Fred, shot a 79. Jim Balch also shot a 79 and his brother, C.G., had an 81. Burkholder and Kerr shot 82 and 84 respectively.

Shortridge's golf team failed in an attempt

to secure another state championship May 29, 1951, at Coffin Golf Course, placing third to the winning South Bend Central quartet and city rival Tech.

Four strokes separated Central and the Satans. A sea of mud handicapped the work of all the entrants. South Bend totaled 327 to 329 for Tech and Shortridge's 331. The Shortridge four-some was Jim Balch 77, Bill Kerr 82, Pete Burkholder 83, and Bob Dyar 89.

Why does Shortridge always have a topnotch golf team? Could be because of the coach, Kenneth Peterman, who surely has a knack for producing champions. He has brought Shortridge several sectional and state golf championships, and will always be remembered as a championship producer.

1951 Tennis Squad Tops .500 Mark

Shortridge's 1951 tennis team finished their season with more victories than losses which is a successful season in anybody's book. H. H. Siemers coached the Satans in his second year as head tennis coach.

Senior members of the team were Charles Karabell, John Rumpel, Dick Elliott, and John Raines. Other members of the team were Tom Hollett, Ronnie Roberts, Kenny Dillman, and Bill Fechtman.

The SHS club played most of their matches on the Riviera Club courts. The Shortridge crew met

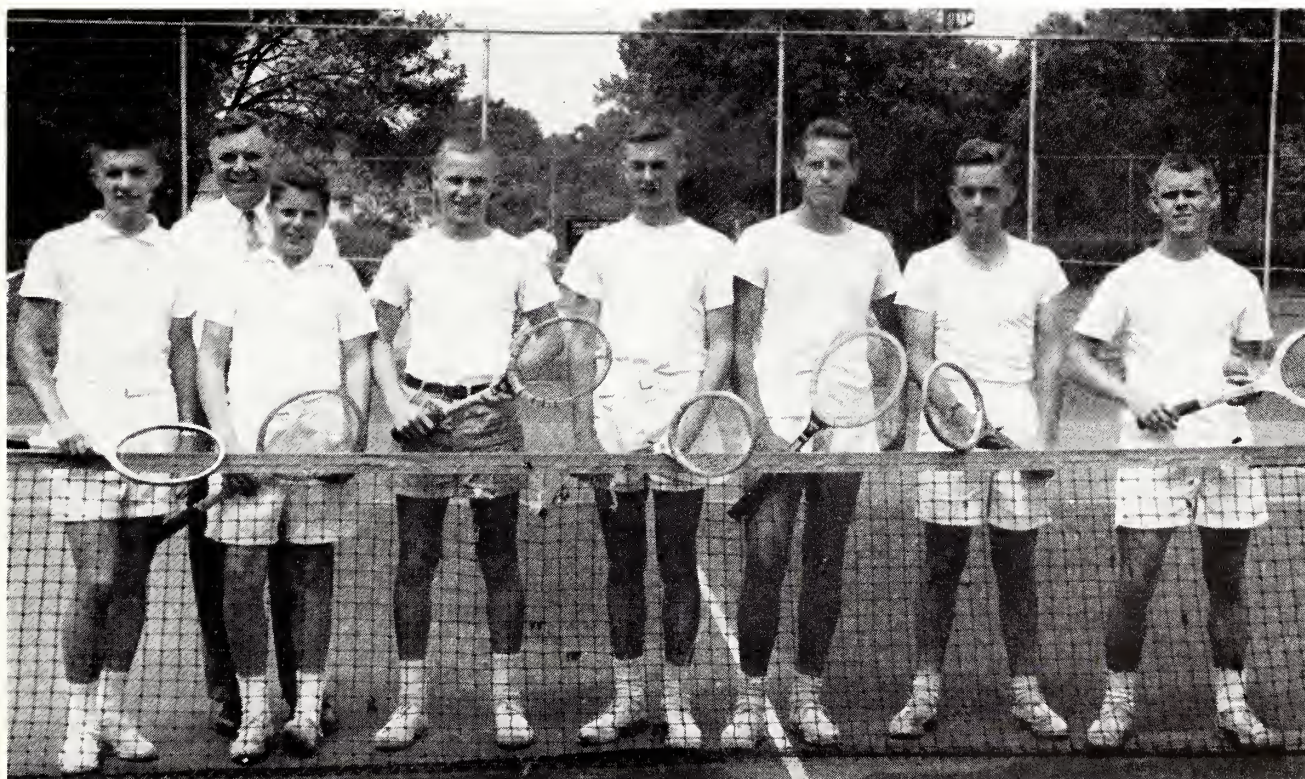

Tech twice on the courts, losing the first match by a 4-3 score but they came back in the second meeting to reverse the score for a 4-3 SHS win.

The Satans pulled a reverse on Crawfordsville's Athenians. Losing the first meet by a 6-1 score, the Blue Devils snapped a Crawfordsville 33-game streak to win a 4-2 return match.

Shortridge shut out Muncie Burris 8-0 and downed the Park team by a 5-2 count. Evansville beat Shortridge 4-3 but the Satans downed their northside foes, Broad Ripple, 6-1.

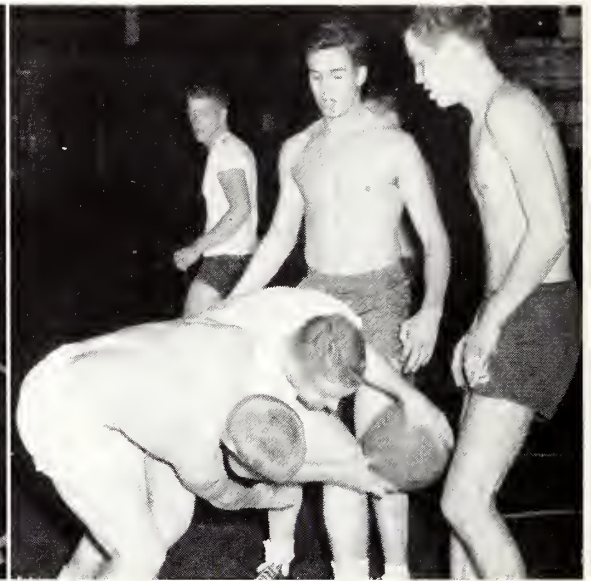

Karabel and Rumpel received letters for their efficiency during the tennis season.

Intramurals and Girls' Activities Round Out Sports Story

A well-rounded program of physical activities is offered to Shortridge girls, including conditioning exercises, tactics, rhythmic, games, self-testing activities, mat and apparatus work. The aim of the class is to promote general health and encourage normal growth and development.

Leadership, cooperation, and the acceptance of responsibility are important factors in physical education classes. It is the aim of the teachers, Miss Alice Jane Hessler and Mrs. Mary Treichler, to set up a program which will give every girl an opportunity to earn a grade of which she will be proud.

The present grading plan is based upon a point scale, points being earned for attendance, personal appearance, cooperation, and ability.

Special events include demonstrations, play-days, and visitors' days.

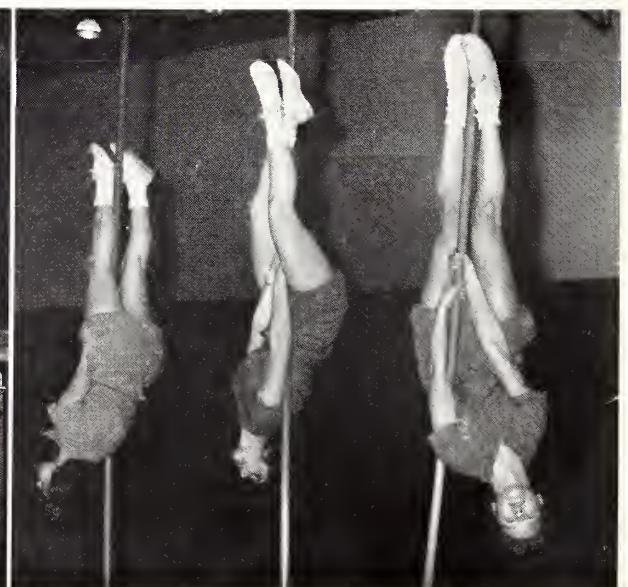

The intramural program gives all boys a chance to take active part in sports. Basketball, football, softball, wrestling, and volleyball are included in the program.

A ping-pong tournament is held each year and awards are presented to champions in all of the intramural activities.

Which way is up?

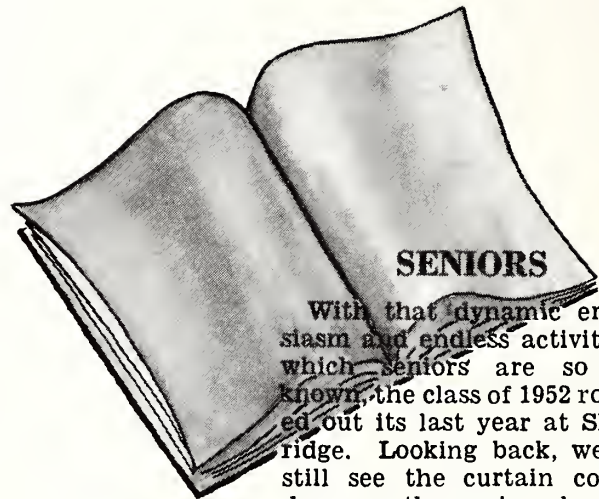

CHEERLEADERS . . . Second Row: Don Torres, Culver Godfrey.
First Row: Barbara Walker, Phyllis Witte, Pat Murphy, Dottie Gaskins, Linda Woods, Jane Owen.

Completing Any Sports Chapter Is An Invaluable Group . . . The Cheerleaders

Our cheerleading crew this year was made up of Linda Woods, Jane Owen, Barbara Walker, Phyllis Witte, Dottie Gaskins, Pat Murphy, Culver Godfrey, and Don Torres.

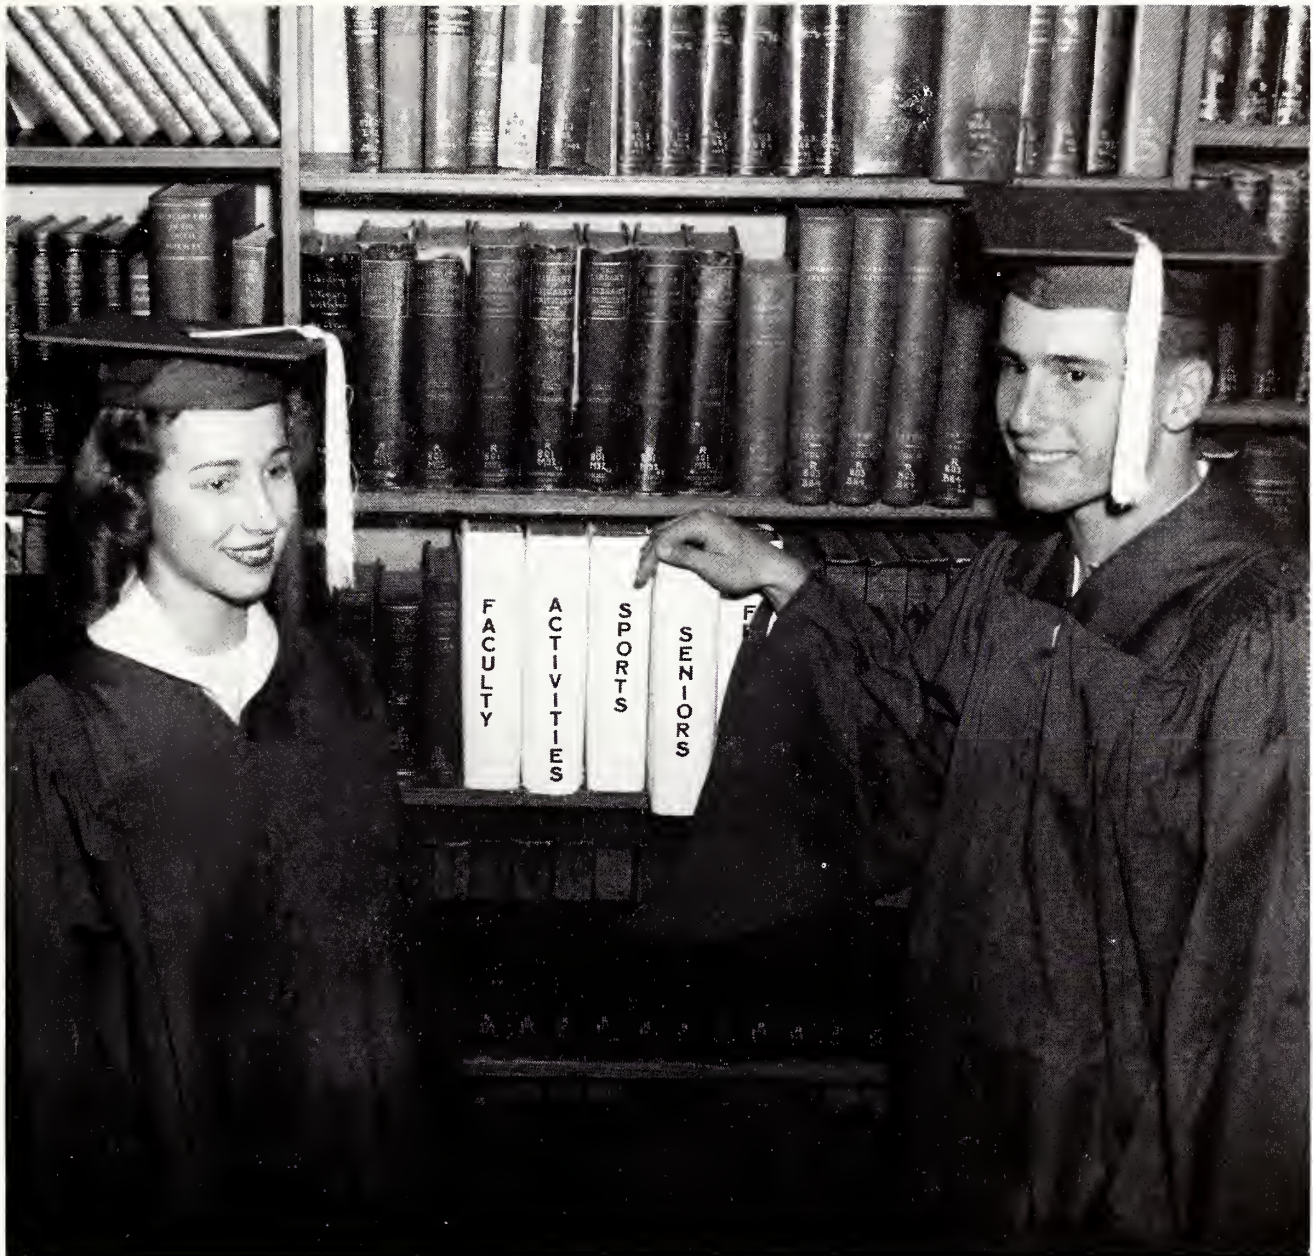

A new addition to the cheering staff was Felix, a large stuffed cat who stood in the center of the floor before the basketball games. Culver had the job of seeing that Felix was at every basketball game which usually meant bringing him in the back seat of his car.

Culver was head cheerleader and took charge of teaching the new yells to both the cheerleaders and the students.

SENIORS

With that dynamic enthusiasm and endless activity for which seniors are so well known, the class of 1952 rounded out its last year at Shortridge. Looking back, we can still see the curtain coming down on the senior play, and we can yet hear the strains of Harry McCrady's band at the Bluebelle-Uglyman Dance. We remember the vigorous campaigning for our class officers and the excitement of Class Day and Christmas Party antics. Then came the publication of the Senior Honor Roll and Honor Society. Yes, it's been a great year for seniors.

SENIOR COUNCIL . . . This or that? Then or when? How and what? These are all questions the Senior Council has to consider when making decisions about senior class activities. Miss Dorothy Peterson, senior class adviser, assisted by Miss Alice Jane Hessler, guides the council which is made up of the class officers plus six representatives from each of the four senior home-rooms.

The council meets often and plans many of the senior class activities. These include the traditional Class Day, Senior Play, Christmas party, commencement plans, class jewelry and colors, and the spring dance.

It is a feeling of accomplishment when at the end of the senior year, the council looks back on all the work and fun it had planning the many successful affairs. The senior year for the class of '52 was a glorious one due to the fine planning of events by the council and advisers.

Minutes of the Senior Class of 1952

The first meeting of the senior class of 1952 was held on October 29, 1951. The class officers presiding over this meeting were Charles Shoemaker, president; Lynn Catterton, vice-president; Marcia Peterman, secretary; and Stew Wood, treasurer. They came into office September 27, 1951. Jim Johnson, Annual editor, had been elected the previous May. The senior council, made up of six representatives from each of the four senior home rooms, was, together with the officers, the governing body of the class.

The colors committee selected wine and gold for the class ribbons and distributed them during home room period.

The senior play, "Seventeenth Summer," was presented in Caleb Mills Hall on October 20 under

the able direction of Miss Eleanor Dee Theek.

The Christmas party was held on December 18 in the girls' gym. The ticket of admission was a wrapped gift for a soldier. Mr. Nipper, as Santa Claus, passed out appropriate gifts to various seniors.

Class day was held May 29. The class day officers were Buzz Peek, willmaker; Florence Redding, prophet; Paul Rupprecht, giftorian, and Ann Fristoe, historian. May 29 was the last day of school for graduating seniors. Vesper services were held Sunday, June 1.

Commencement exercises were held on the evening of June 4 at the Coliseum.

The national organization stresses the importance of character, service, and leadership as well as scholarship for membership in the society. By combining the scholarship records and citations which are given to deserving students at the end of each semester, the 65 students, the quota allotted to Shortridge on the basis of senior class enrollment, were chosen.

Miss Margaret B. Pierson checked the scholarship records of the seniors and rated them in order of their achievement. Enoch Burton, head of the mathematics department, checked the citation cards and arranged them in the proper order. The combination of the two determined the list.

SPECIAL ACTIVITIES

Aside from the regular activities of the school, many special activities are held each year for the enjoyment of the students, faculty, and outsiders. The largest and most famous activity is the Junior Vaudeville. The vaudeville is the project of the Junior Class. After the final acts are chosen, the weeks of practice begin that makes this part of the Shortridge story a success. Almost 500 students took part in this year's show. The Family Frolic and the Military Ball are also special activities which add variety to the school year.

Headlining the Year for the

Janiece Hannon

Janiece Hannon was elected vaudeville chairman by her classmates which gave her the job of supervising the acts and putting the show into top shape.

This year, five acts and four intermission performances were held. Act I featured Mary Jane Vandivier and Don Torres' "That Old Gang of Mine" while "Story Book Land," with Phyllis Magnier and Lloyd Featherston as chairmen, took the second spot. Florence Redding, Sue Teeters, and Sandy Allen's tale of the frozen north, "Eskimo Pie" was the third act and "Manhattan Paradise," fourth on the program, was headed by Ann Wolfenstein, Nancy Payne, Ila Rauch, and Carolyn Sauerteig.

Sue Sullivan, Ruth Moores, and Judy Asmus' "It's Evil" brought down the curtain on the latest edition of the vaudeville. Featured in the intermission acts were Clayton Eshleman and Dick Gilbert in "Mimicry and Music" and Jim Sommer in "Pickin' Strings." After Act II, Lois Goodnough played the marimba, accompanied by Nancy Davis. A chalk talk by Paula Boyer and imitations by Dennis Escol rounded out the between acts performances.
